

Our Company

Syntax. Poised to propel you forward.

We're a leading global technology solutions and services provider for cloud application implementation and management.

We bring to our clients deep capabilities in implementing and maintaining multi-ERP deployments (SAP and Oracle) in a secure and resilient private, public, hybrid, or multi-cloud environment

Our edge lies in our breadth of expertise and our industry understanding—elements that define our ability to deliver unmatched solutions and services.

A legacy of excellence

For over 50 years, we've delivered trusted, comprehensive technology solutions addressing IT and ERP needs of businesses. We provide industry-specific managed and professional services with an emphasis on technology integration and security.

Our vision is clear

At Syntax, we relentlessly pursue excellence with clients, partners, and employees to become the preferred full-stack technology partner for midmarket and large enterprise companies.

Our evolution

Our focus is on growth and evolution. Our journey is marked by strategic partnerships, acquisitions, and collaborative efforts as experts from diverse backgrounds come together to deliver unparalleled solutions.

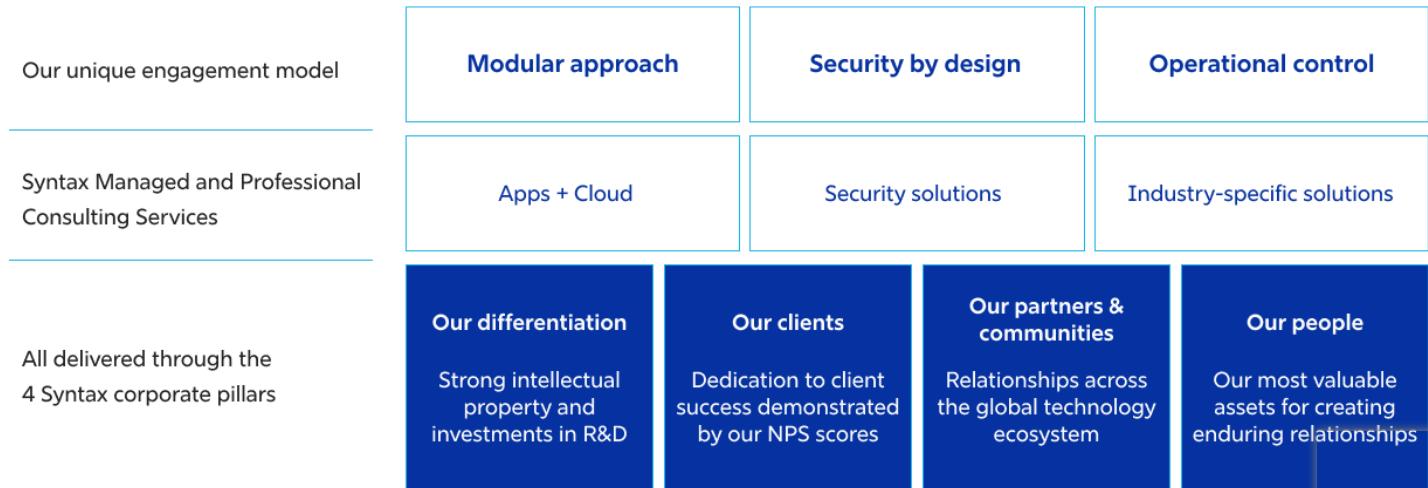

Innovation + expertise

Championing innovative thinking and delivering agile solutions is at the core of our corporate culture. Our team's depth of expertise is the driving force behind our success.
